

2012 Important Dates to Remember for Baseball
Please make sure to mark these dates on your calendar.

- January 6, 2012—All paperwork must be turned in to Coach Hays (1.424) so that eligibility and physicals can be checked.
- January 17, 19, 23, 24, and 26—Mandatory conditioning. If you do not attend, you do not tryout.

The following workdays are MANDATORY. If you do not attend a workday, you do not tryout. Students involved in winter sports at Archer High School (not recreation ball) are exempt.

- January 11, 2012, 2:30 pm—Workday on the field for all 9th graders trying out who are not involved in basketball, wrestling, or swimming at Archer. Dress warmly in old work clothes.
- January 18, 2012, 2:30 pm—Workday on the field for all 10th graders trying out who are not involved in basketball, wrestling, or swimming at Archer. Dress warmly in old work clothes.
- January 25, 2012, 2:30 pm—Workday on the field for all 11th and 12th graders trying out who are not involved in basketball, wrestling, or swimming at Archer. Dress warmly in old work clothes.
- January 26, 2012, 2:30 pm—Makeup workday for anyone who did not attend their proper workday on the field or for any player whose workday was cancelled because of inclement weather. Dress warmly in old work clothes.
- January 30, 2012—Tryouts/Practice begin at 2:45 pm on the field. At tryouts/practice, all players should be wearing cleats, sweat pants or baseball pants (no jeans), a long sleeve shirt or sweatshirt, and a baseball hat. All players trying out will also need a baseball glove.
- Those involved in winter sports at Archer should report to practice the day after their winter sport ends.
- Cleats—I encourage all players to buy Mizuno cleats. Cleats are a part of our uniform and it looks better if we all have the same shoes on. Elite Sporting goods of Lawrenceville will be giving our program a special deal on Mizuno cleats. If at all possible, I would suggest that you wait and buy your cleats with the team once you are sure that you have made the team.
